Property Description

Vista Bahía Estate is an ocean-view residence located in one of Sámara's most desirable neighborhoods, Sámara Reefs. Set in an elevated position, the property commands a sweeping outlook over the entire bay, with uninterrupted panoramas that reveal themselves the moment you enter. Expansive glass walls frame the coastline and horizon, creating a sense of openness that feels both dramatic and composed. The home offers approximately 400 m² 4,306 ft² of living area on a 1,606 m² 17,287 ft² parcel and is arranged across three distinct structures, allowing for privacy, flexibility, and multiple uses. Construction is solid and deliberate, with refined materials and generous glazing that softens the boundary between interior spaces and the surrounding landscape. The main residence includes two bedrooms and two bathrooms, a large chef's kitchen, and a dining room defined by curved glass that wraps the space in ocean views.
