Property Description

A Modern Coastal Sanctuary Steps from Playa Bonita Casa Rocamar in Las Golondrinas, one of the most sought after areas of Hacienda Pinilla, offers a lifestyle shaped by elegance, comfort, and the beauty of the Costa Rican coast. This remarkable residence sits on a spacious 2041 square meter lot and was completed in February 2023 with an exceptional level of craftsmanship. With 7233 square feet of living space, the home was designed to feel open, welcoming, and deeply connected to its surroundings. The architectural vision, created by Integra and brought to life with interior design and custom furniture by Sens and Nalakalu, blends contemporary style with warm natural touches. Teak ceilings, generous living areas, and wide openings that draw in fresh air and sunlight create an atmosphere that is both relaxing and refined. The seamless flow between the indoor and outdoor spaces gives the home a peaceful rhythm that makes every day feel like a retreat.
