Property Description

Discover an exceptional opportunity to build your dream home or investment property in Senderos, Tamarindo's now-famous modern gated community known for its architectural design standards, security, and unbeatable location at the entrance of Playa Tamarindo. Located in Phase 1, where all infrastructure is fully completed, this spacious and entirely flat 1,735.29 m² (0.43-acre) homesite offers the rare advantage of full usability—ideal for a generous single-level home, expansive outdoor living areas, a large pool, or a spacious garden. Flat lots of this size are increasingly scarce in Senderos, making this property both unique and highly desirable. Just moments from Tamarindo's pristine beach, vibrant dining scene, boutique shops, surf, and nightlife, the location is unmatched. Whether walking or taking a golf cart, everything you need is less than a mile away. Garden Plaza Commercial Center—home to Automercado, restaurants, pharmacy, and cafés—is a short stroll from your front door.
