Property Description

Productive Farm and Ecotourism Project in Pirris de Parrita – Unique Investment Opportunity in Nature and Agriculture
Beautiful farm for sale in Pirris de Parrita, a property that combines agricultural productivity with ecotourism potential. Located in a spectacular natural environment, this farm extends over vast areas of fertile land with oil palm cultivation, residential facilities, livestock infrastructure and an ecotourism project in development that includes waterfalls and trails.
Property Features: - Cultivation Area: The farm has large hectares dedicated to the cultivation of oil palm, a profitable and well-established activity in the region. The plantations are in full production, guaranteeing a constant flow of income. - House: The property has a comfortable and well-equipped house, designed to offer comfort and functionality. The house has several bedrooms, a full kitchen, a living room and a spacious patio that connects with the natural environment, ideal for those looking to live on the farm or to accommodate staff.
