## Property Description

Discover a serene 1.6-hectare property nestled in the lush surroundings of Hatillo, just minutes from Playa Dominical and Playa Linda. This beautiful piece of land offers a perfect blend of privacy, natural beauty, and development potential. Bordered by a peaceful river, the property invites you to enjoy the soothing sounds of flowing water and the abundance of wildlife that thrives in the area. A three-bedroom cabin is currently under construction, providing an excellent opportunity to finish it according to your style and vision — whether for a private residence, vacation home, or boutique rental. With its gentle topography and tropical landscape, this property offers multiple options for expansion — space for gardens, fruit trees, or additional cabins — all while maintaining a deep connection with nature. Located in one of the most desirable areas of Costa Rica's southern Pacific coast, just a short drive from Dominical, Manuel Antonio National Park, and Marino Ballena National Park, this riverside retreat captures the essence of tranquil living in paradise.
