Property Description

A piece of paradise in the mountains. Imagine waking up to birdsong and soft breezes caressing your face, surrounded by the lush greenery of the mountains. On this 2000 m² plot of land, located in the mountains between a cozy settlement and San Antonio, you will find the perfect place to build your personal oasis. With 22 meters facing the main street and 89 meters deep, this land offers ample space to build one or several houses, designed to your taste and needs. Proximity to a clothing store and friendly neighbors ensures a family atmosphere and a close-knit community that will welcome you with open arms. But the advantages don't end there. This earthly paradise is located just a few minutes from the impressive falls, where you can enjoy refreshing swims and panoramic views. If you're looking for a thrill, the ATV or horseback riding tour will allow you to explore the natural beauty of the surrounding area.
