## Property Description

Hacienda Las Mesas de Cañas Dulces, a 197-hectare estate, is strategically located just 25 minutes from downtown Liberia, Guanacaste. Adjacent to the Hotel Vandara Hot Springs & Adventures, this property offers spectacular panoramic views of the ocean, the Gulf of Papagayo, and the majestic Rincón de la Vieja Volcano. Its extensive frontage along a public road ensures accessibility and visibility. The property features a charming caretaker's cottage, a chicken farm, and well-equipped cattle corrals. The prominent Cañas Dulces Hill stands out as a landmark within the estate. The land is divided into 20-hectare paddocks with high-quality pastures for livestock. For water supply, the estate has two springs, a drilled well, and the advantage of being adjacent to a stream that ensures water availability throughout the year. This natural setting makes the property ideal for cattle farming, with the potential to integrate a rural development and adventure tourism model.
