## Property Description

Introducing Lot 28B, a truly unique opportunity to own a prime parcel within the prestigious Tres Volcanes Signature Living community. This approximately 5,601.51 square meters (around 60,305 square feet or 1.38 acres) lot is perfectly positioned directly facing Hole 15, offering unparalleled views of the fairway of Hole 16 and the spectacular volcanic landscape that characterizes our region. Imagine designing and building your dream home on a flat terrain that combines privacy, natural beauty, and sweeping panoramic views. Surrounded by lush native vegetation, fruit trees, and timber species, this lot creates an ideal environment for a harmonious and luxurious lifestyle. Signature Living Properties for Sale When you purchase through the Tres Volcanes Signature Living program, you're getting more than just land or a house — you're joining a lifestyle. Two years of Golf and Country Club Membership included (monthly fee of \$150 not included, but a \$100 credit is provided toward restaurant and simulators).
