Property Description

Discover Lot 19B, one of the most prestigious and coveted parcels within Tres Volcanes Signature Living. This exceptional estate lot offers a rare opportunity to build an ultra-luxurious residence in a prime location known for exclusivity and breathtaking natural beauty. Spanning 5,061.55 square meters (approximately 54,410 square feet or about 1.25 acres), this property combines generous space, spectacular vistas, and an unparalleled setting. Strategically positioned facing the green of Hole 14, with commanding views over the course and the majestic Guanacaste mountain range, this lot promises awe-inspiring sunrise and sunset vistas that captivate and inspire. Its prime location and expansive size make it one of the most distinguished and valuable properties in the community—an exquisite foundation for a dream estate designed for ultimate privacy and elegance. The flat topography allows for the creation of a spacious, sophisticated sanctuary with expansive terraces, outdoor living areas, and the possibility of a second-level lounge with panoramic volcanic vistas.
