Property Description

Discover the perfect setting for your dream home, eco-retreat, or investment project in Sandalo, just minutes from Puerto Jiménez on the pristine Golfo Dulce. This spacious lot spans over 2 acres and is already ready to build, offering a rare opportunity in one of Costa Rica's most biodiverse regions. With dual access from two roads, the property offers flexibility for development, subdivision, or multiple entry points. Its strategic location places you close to everything that makes the Osa Peninsula extraordinary: • Puerto Jiménez town with shops, services, and local conveniences • Pristine beaches along the calm, turquoise waters of the Golfo Dulce • Corcovado National Park, world-renowned for wildlife and raw natural beauty Whether you envision a private residence, vacation rental, or nature-inspired project, this property is a prime canvas surrounded by the lush beauty and rich culture of Costa Rica's South Pacific.
