Property Description

LOT 19 This 2,720 m² (0.67 acre // 29,277.84 sq ft) lot for sale in Ojochal, Costa Rica, offers a unique combination of natural beauty, excellent location, and future potential. While the property does not currently feature a direct ocean view, the construction of a two-story home would open up a stunning vantage point of the Pacific Ocean, while still enjoying the breathtaking mountain views that surround the property. The topography is favorable for construction, providing multiple options for design and development. With a good frontage on a public road, the lot is easily accessible, adding value for both residential and investment purposes. The size and layout allow for a spacious home, gardens, and even a pool—making this an exceptional opportunity for anyone looking to build a dream property in the South Pacific of Costa Rica. Located in Ojochal, a vibrant community known for its balance of jungle, ocean, and modern conveniences, this property is close to everything you need.
