Property Description

Welcome to a rare and highly strategic development opportunity in Liberia, the gateway to Costa Rica's booming North Pacific region. Spanning 9.8 acres (40,000 m²), this exclusive property is fully subdivided into 115 residential lots—each titled and equipped with public water, electricity, and sewage access. Located just 25 meters from the main highway and only 3 km from Daniel Oduber International Airport, the site offers unmatched accessibility. With two separate entry points, it's designed for optimal traffic flow and resident convenience. In just four minutes, you can reach Liberia's commercial center, offering supermarkets, banks, restaurants, private hospitals, and schools.
