Property Description

Welcome to Finca Pacífica Barú, an awe-inspiring sanctuary strategically located just 1.5 km east of Dominical Puntarenas. Spanning 34 hectares, this ocean-view property is a cherished gem owned by a Costa Rican family. Once a cattle ranch, it now flourishes with vibrant wildlife and lush greenery, thanks to decades of dedicated conservation efforts. Boasting primary and secondary forests, private ocean-view sites, creeks, and waterfalls, it epitomizes tranquility and natural beauty. Its strategic location, bordering the paved road connecting Dominical with Pérez Zeledón, offers easy access to key destinations like Dominical, Uvita, Manuel Antonio, and Pérez Zeledón. This makes it an ideal location for both commercial and residential ventures. Two large commercial sites along the paved road provide immediate access and ample space for reception areas, restaurants, cottages, or other commercial activities.
