Property Description

Introducing Casa de Luz, one of the finest gated villa estates on one of the most coveted national park beaches in Central America – “Millionaire Row” in Playa Langosta. With its stunning Spanish Colonial turrets towering over a lush private tropical retreat containing an infinity pool and a honeymoon casita as close to the waves as you can legally sleep, this irreplaceable property is like living in a fairy tale castle on the sand. With 7200 sq ft of total living space built on two large oceanfront lots titled to the 50-meter tide line plus a large adjacent national park jungle clearing, Casa de Luz is one of the most desired wedding destinations in Tamarindo and one of its top-grossing rentals. From the best tidepools in the area directly in front of the property, to world-class surfing a five-minute walk away, to the most amazing sunsets nightly from the pool, palapa bar, or a hammock, your beach and beach toys are never far apart.
