Property Description

Introducing an exceptional opportunity to acquire a stunning finca located on the main road In Artola. This expansive property boasts an impressive 30,000 square meters of land and is situated conveniently just 10 kilometers away from the popular Hotel Riu and Matapalo Beach, providing easy access to some of the most beautiful beaches in the area. Located only 15 minutes away from Coco Beach, this finca offers the perfect balance of seclusion and proximity to popular attractions. Its prime location is due to the fact that it is located on the main artery between Liberia International Airport and the Ruta del Sol towards the high end development of Discovery in Zapotal. This makes this property a highly sought-after investment opportunity, with easy access to the nearby towns and amenities. The property boasts 87 m of prime road frontage, offering exceptional visibility for any commercial or development opportunities.
