## Property Description

Ultimately, a peaceful lifestyle is what we all truly desire. Finca Los Pargos in Playa Negra is a small, thoughtfully designed community that offers exactly that. Spanning 370 acres in the scenic mountains of Playa Negra, just 40 minutes south of Tamarindo, this community provides an exceptional sense of privacy and space. Every single property is over an acre in size, creating a serene environment where, even with neighbors, it feels like you have the land all to yourself. This beautiful home is set on a generous 2-acre lot. The main residence features two bedrooms, each with its own ensuite bathroom. Both rooms offer stunning views of the pool and treetops, thanks to the home's elevated position on the property. One bedroom serves as the master, while the other is designed as a guest room, furnished with a bunk bed and a single bed. Separating the two bedrooms is an open-concept kitchen and living area, complete with a spacious couch, a dining area, and a laundry room tucked away at the back.
