Property Description

Ojochal is a red-hot jungle town, the 'Culinary Capital of Costa Rica' and the favorite destination for tourists, volunteers, expats, investors and families alike. You can find anything here – top restaurants, trendy cafes, themed pubs, local eateries, barbers, a carwash, pickleball courts and yoga studios, grocers, gas stations, lawyers & realtors, doctors & dentists, a mini water park (!), and anything in between. This property is located on Calle Cacique, a quiet street which defines the edge of Ojochal – so while the services, amenities and buzz are literally a few minutes' walk away, your surroundings are lush, tranquil, peaceful and tropical. Because the property is elevated and encircled by tall rainforests, the civilization that exists a stone's throw away may as well be a thousand miles distant. In every direction you will see nothing but the famous Costa Rican nature – towering jungles, soaring coastal mountains, and a window views of the Pacific Ocean.
