## Property Description

Sitting right at the Tamarindo river mouth is Casa Halaman in the most exclusive gated community of Tamarindo. This pre-designed villa is one of 6 houses that will be built in the new gated community of Uluwatu 2, located in the mother condominium of El Tesoro. This Villa is literally located 100 meters from the estuary and the white sandy beach of Tamarindo and 300m from the national park of Las Baulas in Playa Grande so you can literally smell the ocean. This very private courtyard villa has views over the lush internal garden, gazebo and infinity pool. As this property is located very close to the entrance of the condominium it allows you to walk to the beach without walking up the steep internal roads of Tesoro. Casa Halaman sits on a lot that measures 862 m2 (0.21 acres). This property faces West so you can see the sunset colors in the sky above the ocean all year around. There are 4 different world class surf spots at less than 4 min walking from this property what attracts a lot of surf tourism for short term renters.
