## Property Description

An impressive, elevated 4.1-acre ocean, sunset and mountain view lot in the jungle-clad, sought-after hilly neighborhood above the cosmopolitan jungle-town of Ojochal! **OVERVIEW & ACCESS** Located in one of the most exclusive neighborhoods in our area, this sizeable lot is nestled between Cinco Ventanas and the mountain-side neighborhoods of Ojochal, the jungle-clad town dubbed the 'Culinary Capital of Costa Rica'. The land can be accessed via Cinco Ventanas Road or via Calle Del Bosque which winds its way through the town of Ojochal – both of these access roads connect to the Costanera highway, a major access throughfare of South-Pacific Costa Rica. **LOCATION & VIEWS** The cleared & prepared land is elevated at about 250m (820 feet) ASL at the southern end and 280m (920 feet) ASL at the northern end. The views are nothing short of spectacular – the Pacific Ocean, Garza island and Osa Peninsula (home to Corcovado National Park) are framed by towering jungles and the majestic coastal mountains.
