## Property Description

Finca Naranjalito - 48 Hectares Ocean View Finca Finca Naranjalito is a 48-hectare property with stunning ocean views, located just 20 minutes from Samara and 35 minutes from Nicoya and Guiones. The finca features excellent access roads, electricity, internet, and a water well. A year-round river flows through the property, along with several waterfalls and swimming holes. Internal roads traverse the finca, with electricity running from one side to the other. There are numerous ocean-view locations ideal for building a home, and the rolling, open terrain is well-suited for future development.
