Property Description

Introducing Villa Calypso, a newly constructed, architecturally designed estate offering spectacular ocean and mountain views just minutes from downtown Tamarindo. This remarkable property blends modern luxury with natural beauty, providing an ideal balance of tranquility and accessibility. Named and inspired by the legendary RV Calypso, a former British Royal Navy minesweeper transformed into a research vessel by the famed French explorer Jacques Cousteau, this estate captures a spirit of exploration, elegance, and deep connection to the sea. Perched on a custom-engineered building pad atop a 5,200 m² lot (over 1.25 acres), Villa Calypso was meticulously designed to ensure structural longevity while maximizing sweeping panoramic views of Playa Tamarindo and its unforgettable Pacific Ocean sunsets. Villa Calypso welcomes mortgage financing through Second Street. Eligible U.
