- Status: Available

Property Description

Presenting an extraordinary opportunity to embrace the natural beauty of Costa Rica, this expansive 7078 m2 lot boasts breathtaking views of the lush jungle and the serene Ora river. Situated on a dirt road, the property offers tranquility and seclusion, elevated from the road to minimize dust and maximize panoramic vistas. With access to water and power, this versatile lot presents endless possibilities. Whether envisioning a secluded single-family retreat or exploring the potential for multiple cabinas for rental income, the canvas is yours to craft the ultimate tropical haven. Conveniently located just a short 5-minute drive from the renowned surf haven of Playa Camaronal and a mere 10 minutes from the pristine shores of Playa Carrillo, this property promises easy access to some of Costa Rica's most coveted beaches. Additionally, an array of restaurants and shopping options can be found in every direction, ensuring both convenience and opportunity for exploration.
