Property Description

Discover your own private oasis with this stunning 2,260 sqft (210 m²) mountain home, built in 2023 and nestled on a generous 1.25-acre (5,000 m²) lot. With three spacious bedrooms and 1.5 bathrooms, this property offers both comfort and modern living in a beautiful mountain setting. As you step inside, you'll be greeted by high ceilings and an open floor plan that creates an inviting atmosphere. The large living room seamlessly connects to the dining area and kitchen, making it the perfect space for gatherings and entertaining. With patio doors on either side of the room, natural light and fresh air flow effortlessly throughout. Each of the three bedrooms is generously sized, providing ample space for relaxation and personalization. A large loft adds even more versatility to this home, perfect for a home office or additional living space. The main bathroom features a luxurious walk-in shower, while the half bath is ideally situated for guests.
