Property Description

Located in the heart of Playa Flamingo, and walkable to fantastic beaches, the site of the new Flamingo Marina, grocery stores, and an array of restaurants, lives Casa Nalifos. This beautiful Italian masterpiece has a stunning ocean and mountain views, and is perched upon a hill in the popular Altos de Flamingo guard-gated subdivision. You may enter the home from either the upper or lower staired entrance. Both entrances are beautifully landscaped with a variety of flowers and local plants that are fed by a full irrigation system, allowing for beautiful gardens year-around and easy maintenance. When entering you will enjoy the feel of the luxurious imported Italian porcelain tile that is featured throughout the entire home and patios. The gourmet kitchen offers top of the line Smeg cooking appliances that are imported from Italy. The chef in the family will enjoy the best of both worlds, with the gas cooktop and electric wall oven.
