Property Description

Developing raw property in Costa Rica can be challenging and time consuming but what if you could find a development that already is part of an existing Master Plan. A development that already has underground electric, water, a sewage treatment plant in place, all roads brick lock, an existing Club House with fitness center, ocean view pool, restaurant, entertainment room, beach front land with a Beach Club and of course, beautiful views of Culebra Bay, the Gulf of Papagayo and looking over and beyond the Four Seasons Papagayo Resort. Location – on the Las Trancas Road, the main route to reach Playa Panama and Playa Hermosa. 12 minutes to the Guanacaste International Airport and two minutes to the beach in Playa Panama. Lot 26 is over 3,250 square meters (over ¾ acre).
