Property Description

LISTING ID: 16TG126 EXCLUSIVE LISTING Price: \$1 per m² USD The owner of this 72.68-hectare farm in Esterillos Oeste on Costa Ricas Central Pacific Coast has cut the price in half compared to neighboring properties. This farm is really beautiful and located in the lowlands. The area has planned communities at different stages and is expected to become very popular soon. It's close to San José and the international airport an hour and a half away. The region has beaches and lots of nature. The farm is just minutes from Jacó. Has rolling hills and different types of terrain. A paved road from the Coastal Highway reaches 500 meters from the farms entrance making it easy to get to. The land is partly. Has a nice stream running through it. 30% Of the land has great views making it perfect for building, a private home or an eco-project. Electric lines and a community water system are 500 meters from the farm so connecting them in the future is possible.
